## Our Ambassador: Andrea Perron [\[WEBSITE\]](#)

Published in 2011, Andrea Perron is the author of the best-selling trilogy "[House of Darkness](#) [House of Light](#)". These extraordinary books chronicle the true events which occurred in the childhood home she shared with the dead and living alike during the 1970's in a Colonial-era farmhouse located in Harrisville, Rhode Island. Their story was picked up by Hollywood, resulting in the 2013 blockbuster hit "[The Conjuring](#)", told from the perspective (and based upon the case files) of the famed paranormal investigative team Ed and Lorraine Warren. As the eldest of the five Perron daughters, Andrea was permanently altered due to the afterlife manifestations she and her entire family witnessed over the course of a decade. The iconic horror film contributed in disclosing some of the incredible activity this property withstood and family endured, but for those who dare to read the books, they soon discover that there is much more story to tell.

In 2015, Andrea co-authored "[In a Flicker](#)" with George R. Lopez, receiving rave reviews. Their part fact/part fiction book is based on the true exploits of Jack the Ripper, and peers into the deepest, darkest fears of the mortal soul. In 2019 she continued to impact the supernatural genre by capturing the essence of this evolutionally phase of humanity. Her latest book, "[A Wonder to Behold: Guideposts for Intergalactic Engagement with Humanity](#)", takes the reader through multiple mystical dimensions with great care. Andrea's passionate pursuit continues to this day as she prepares to release an extended version as a colorized hardbound edition, directly addressing the ongoing Paradigm Shift. Her most recent incarnation is as a screenwriter, setting the groundwork to bring her trilogy to the silver screen because, as she insists, the truth IS stranger than fiction, and people deserve to know the truth.

Andrea's insatiable quest for knowledge continues with her research regarding a lifelong love and fascination with what she refers to as the Galactic Family. In her frequent travels, she lectures about the merging of science and spirituality as she discusses and challenges the concepts of metaphysics and all phenomena considered paranormal. She has become an influencer in the field of Ufology and a resource for her readers, seeking to illuminate the world during this new age of enlightenment on an ancient subject of curiosity. Her combined dedication, knowledge and experiences of that within the outer world's supernatural realm will navigate our experiences while exploring the phenomena of England, sure to be an astonishing and unforgettable journey.
